Nlp enthusiast , tennis
player, and interested in
learning new things

Who is Chandan, according to you?

According to me Chandan is a very joyful person who loves to make friends and has a very caring nature, and is very sentimental and opens up pretty soon, he's open to changes, and accepts people how they are.

This is Chandan also know as Chandu 😊 →

A character, you
are most like. why?

Chandu champion,
it's related to all
the Chandus in the
world that's not
giving up, and to
keep fighting

My Mantra

One shot at a
time , one point
at a time .

What is Magic of Change to you?

Rafi sir is the best mentor and guide which I got , he gave me all the solutions , and helped me and still helping me in overcoming my unresourceful situations . And the vibe I was a but nervy in the start but then found that there is nothing to be embarrassed of ...

and the trainers were so nice and so chill that made me feel so comfortable and hanging out after the class for a really really long time , which was such a nice experience and I kept learning new things
